Presidents Reports:

Spirit Wear—Beth Margarida—introduced new items available

Membership—Carol Cleveland—membership is down, discussed doing membership drives during school activities and concerts. It was suggested that the Kit Messages need to be offered in Spanish as well as English.

Basketball Game—Raul Berrios to head this up. Discussed need for volunteers, advanced ticket sales and possible advertisements on facebook. Suggestion to use Permission slips for Students participating.

Visitor:

Officer Amy Chambers—Resource Officer plays a critical role at school. Had lighting added to back of school for additional parking and security. Announced Hands-On Computer Class for Parents coming in January to help them relate to how their children are using the internet. Amy.chambers@fcps.edu

Visitor:

Ed Lang of Remax Premier and Bill Korby of Suntrust Mortgage. Presented a \$500 check to the RR PTA from William Crutchfield Orthodontist. Discussed bringing on business partners to support the schools, while offering to advertise the businesses online website / at the school, and in activity programs.

Visitor:

Kathy Palmer– RRMS Team Councilor—Described the School's Mentoring program, how it is presented to students on a voluntary basis, and the benefits to both teachers and students. The program is in need of funds and Kathy requested \$500 to keep the program going.

Principal's Report:

Matt Eline presented support for the Mentoring program with examples of the types of students it helps– not just for students in need, but also for GT students. Explained the Database started by Dan Paris, that keeps track of each student giving staff, teachers, and administrators a look at the whole student, not just their grades.
